

## Jobs.cz

	Price	Description
Standard	8 990 CZK	regular ad updates option to extend the advert's duration
Light	7 390 CZK	

The prices are valid for an ad posted for one location (one workplace). Each month-long extension of a Standard advert is 5 390 CZK. The discount applies to the advert price only, not to the price of an extra location fee. When an advert is posted for multiple locations, the extra location fee is multiplied by the extension time (number of months) and then added to the advert's total price. The list of extra location fees can be found in Teamio.

### Jobs.cz advert package – STANDARD

	Price
3 STANDARD adverts	25 000 CZK

You have one year to use up your adverts, counting from the day of purchase. The standard ad listing lasts one month and is automatically updated every week. The listed prices apply to one-location ads (one workplace). The list of extra location fees can be found in Teamio.

**Credit-based Jobs.cz, Prace.cz and Prace za rohem advertising subscription - PREMIUM 500+**

	Price	Credits	Extra purchase
<b>PREMIUM 500+</b>	245 000 CZK	500	490 CZK

One Prace.cz or Prace za rohem advert costs 1 credit per each location, one Atmoskop advert costs 2 credits per location, while a Jobs.cz adverts costs 3 credits per location. One location = one workplace. Posting a temporary job costs 1 credit per location; temporary jobs are posted to all Jobs.cz, Prace.cz and Prace za rohem. You must use up your base credits within one year from the purchase. Foreign portals have their own individual credit systems based on the pricing of different portals in different countries. Extras: logo of your company will be placed in the main listing on Jobs.cz, Prace.cz and Prace za rohem.

Credit transfer:

- Credits that were purchased as an extra will be transferred into the next year when you renew your subscription – we will simply add them to the base amount of credits included in your renewed subscription. Any remaining base credits are non-transferable and must be used within 12 months.

**Adverts package KOMBI + TEAMIO KOMBI**

	Price	Note
<b>KOMBI 5 + TEAMIO KOMBI</b>	38 000 + 6 000 CZK	up to 15 users, max. 6 000 candidates in Dtb**
<b>KOMBI 10 + TEAMIO KOMBI</b>	63 500 + 12 000 CZK	
<b>KOMBI 20 + TEAMIO KOMBI</b>	100 700 + 24 000 CZK	
<b>KOMBI 40 + TEAMIO KOMBI</b>	132 500 + 48 000 CZK	

\* The validity of TEAMIO KOMBI service is 14 months. After the last advertisement from the purchased package has been used up, the validity of Teamio PRO 20 service is reduced to 62 days.

\*\* If during the period when you have TEAMIO KOMBI services active, the limit of 6 000 unique candidates is exceeded for more than one month, you will be contacted by the responsible guarantor, who will solve the increase of the limit with you.

The KOMBI package of ads can be used up within 1 year.

You can use the complete functions of TEAMIO KOMBI only for the period of validity of the jointly purchased Kombi package (max. 12 months). If you do not buy a new TEAMIO KOMBI package from the package within 2 months of placing the last advertisement, Teamio will switch to the Teamio Mini version again. This means, for example, that candidates from inactive recruitments will be deleted.
